

## **PRESS RELEASE**

### **Clarification with regards to record of teachers' appointment**

Karachi, 31October, 2014:Education and Literacy department (ELD),Government of Sindh has taken serious note of the news item published in "Daily Express" on 30<sup>th</sup> October, 2014 in which some allegations have been foisted against RSU by Mr. Wahab Abassi, the Director Schools Education, Karachi. In his statement he alleged that RSU, AG- Sindh and District Treasuries were not providing him record of Teachers' appointed by him in the year 2010, through test conducted by University of Sindh.

Zamir Khoso, Senior Program Manager, Reform Support Unit, clarified that the RSU is a facilitator Unit, and responsible to work as bridge between E&LD and other stakeholders, including the World Bank. In recruitment process, RSU's role is to filter the data provided by the districts, share it World Bank and ensure appointment of eligible / meritorious candidates. While Region / Districts are responsible for the following activities;

1. To prepare merit lists based on result shared by the third party;
2. To hold District Recruitment Committee(DRC) meetings to finalize the merit of candidates as per policy
3. To sign and issue appointment orders of eligible candidates
4. Ensure release of salary their salaries and ;
5. Maintain record of appointed candidates (joining data base, result shared by third party, DRC Recommendations, Offer orders / appointment orders and contract documents etc)

"The claim of Director School Education, Karachi Region, Karachi as reported in the news item regarding non availability of record with RSU of Sindh University candidates is false, fabricated and beyond the policy guidelines. The RSU has all required data with it i.e to examine the merit of cases being forwarded by the districts for regularization", Mr.Khoso added.
