Message from Minister for Education

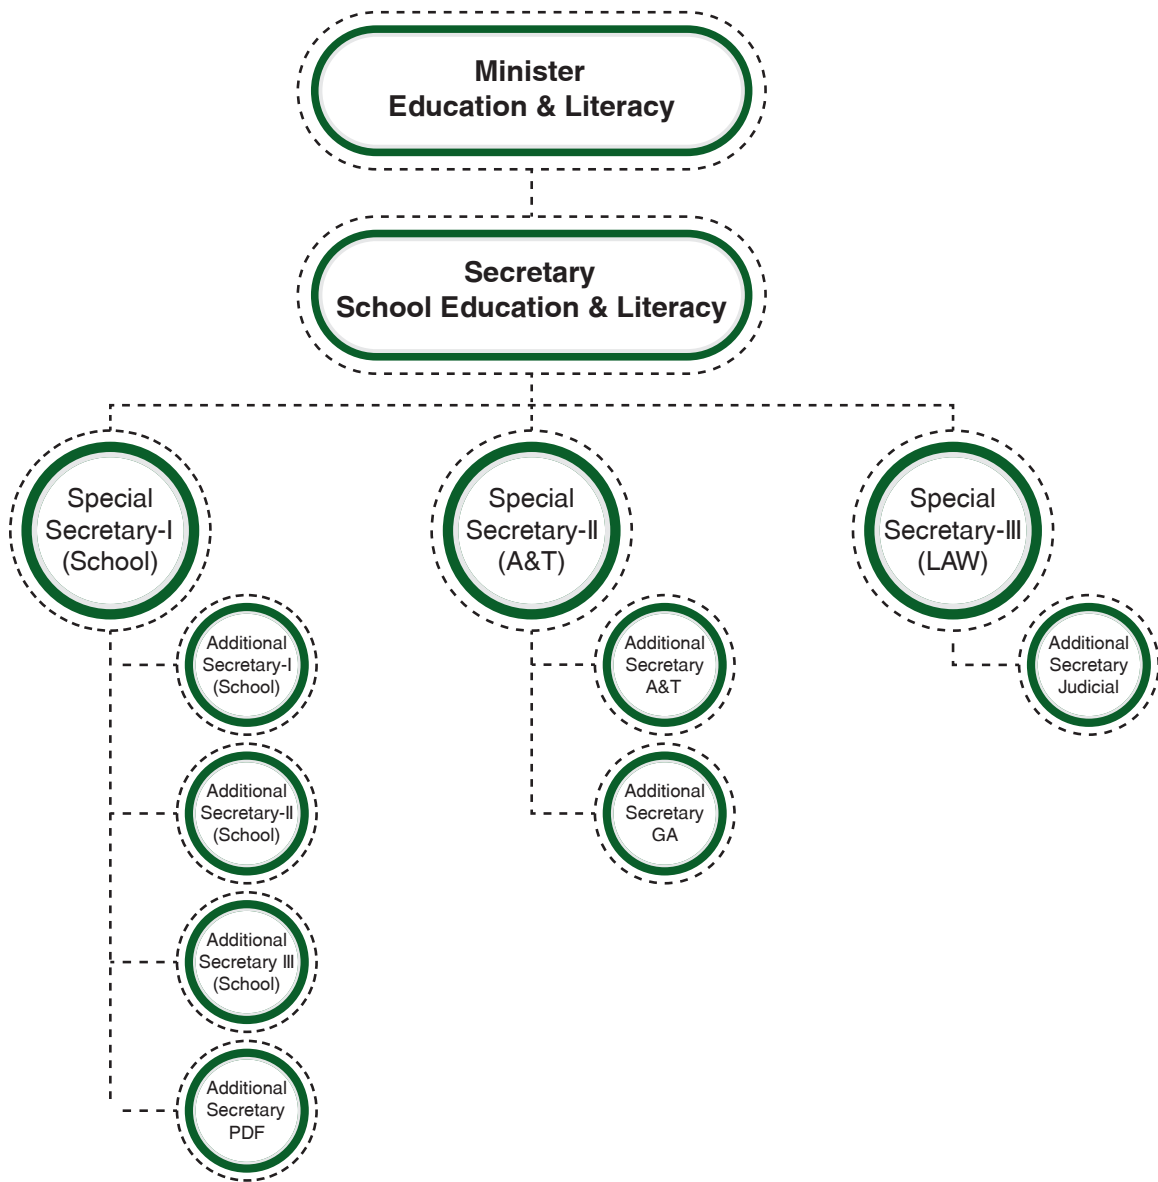

Message from Secretary Education

Message from Chief Program Manager RSU

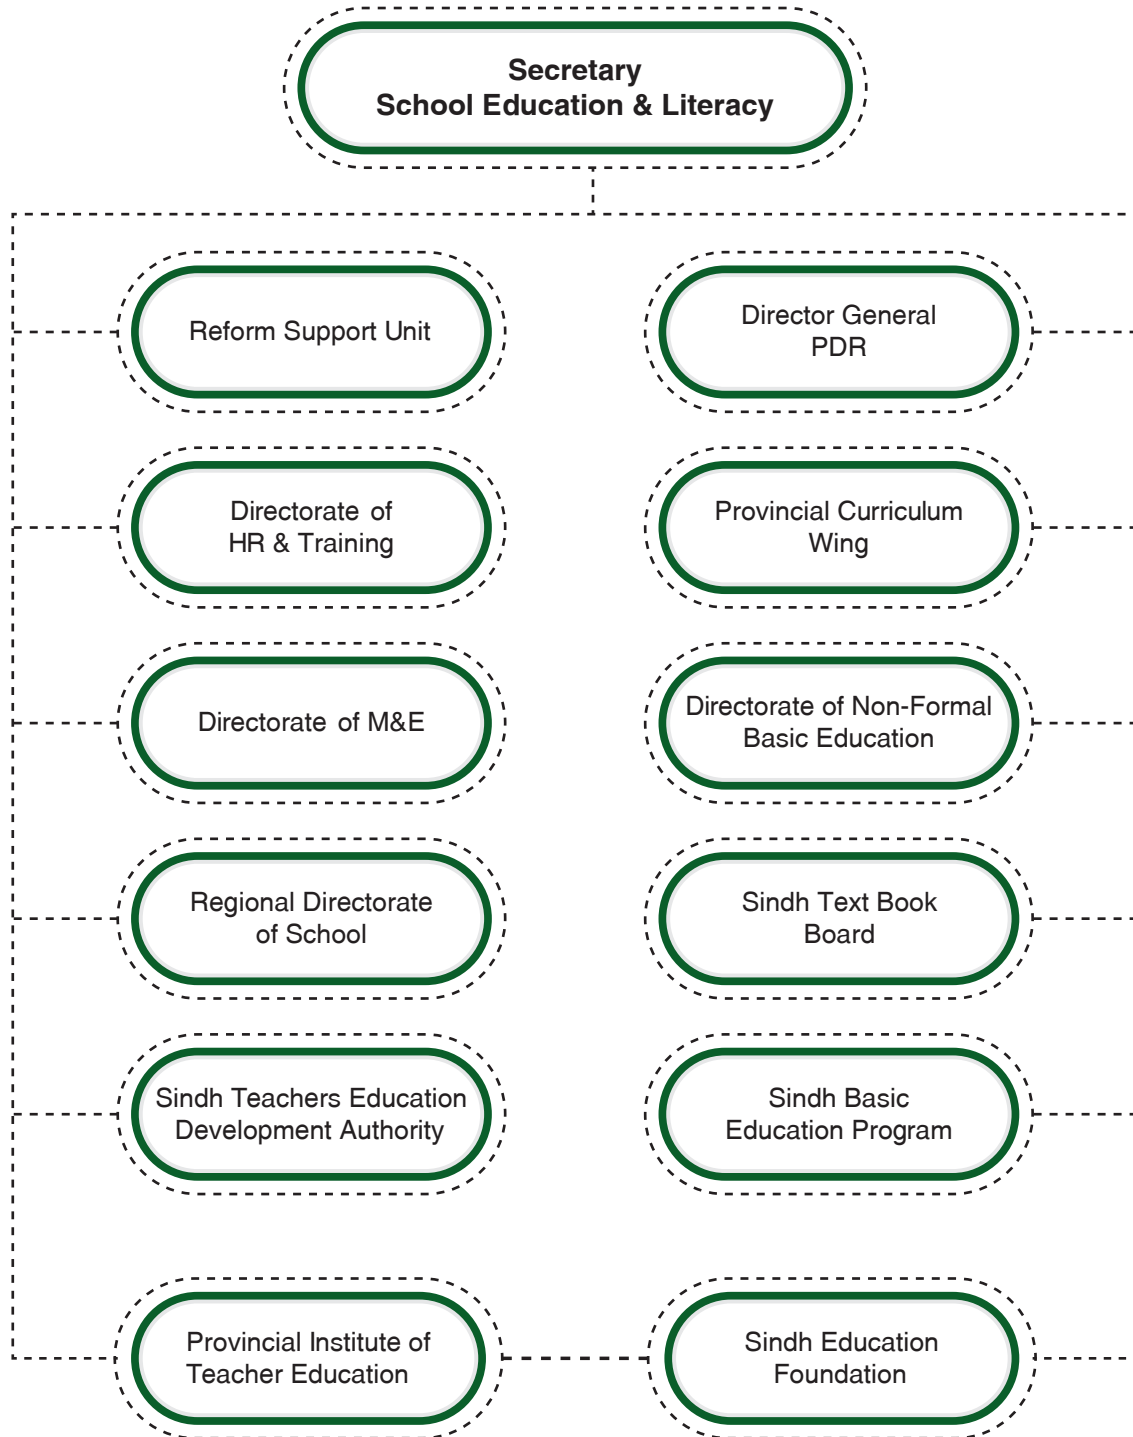

Preamble

The objective of SELD is to provide equal opportunity of quality education to all children and the youth of Sindh to realize their full potential and contribute to the development of society and economy creating a sense of nationhood and inculcating values of tolerance, social justice and democracy.

The department makes integrated efforts to enhance the service delivery by upgrading the departmental capacity at all levels, by forming effective system of governance and by incorporating technology to improve quality in outcomes at the grass-root level.

Annual School Census 2021

School Education and Literacy Department (SELD) initiated the exercise of “Annual School Census 2020-21”. The purpose of Profiling of schools (Annual School Census) is to collect information regarding School Enrollment, detail of existing Human Resources , School Clustering & Consolidation, Infra-structure including Basic & Advance Facilities etc. This information will enable the decision makers of Education Sector to develop the result based policies with proper planning and their actionable plans.

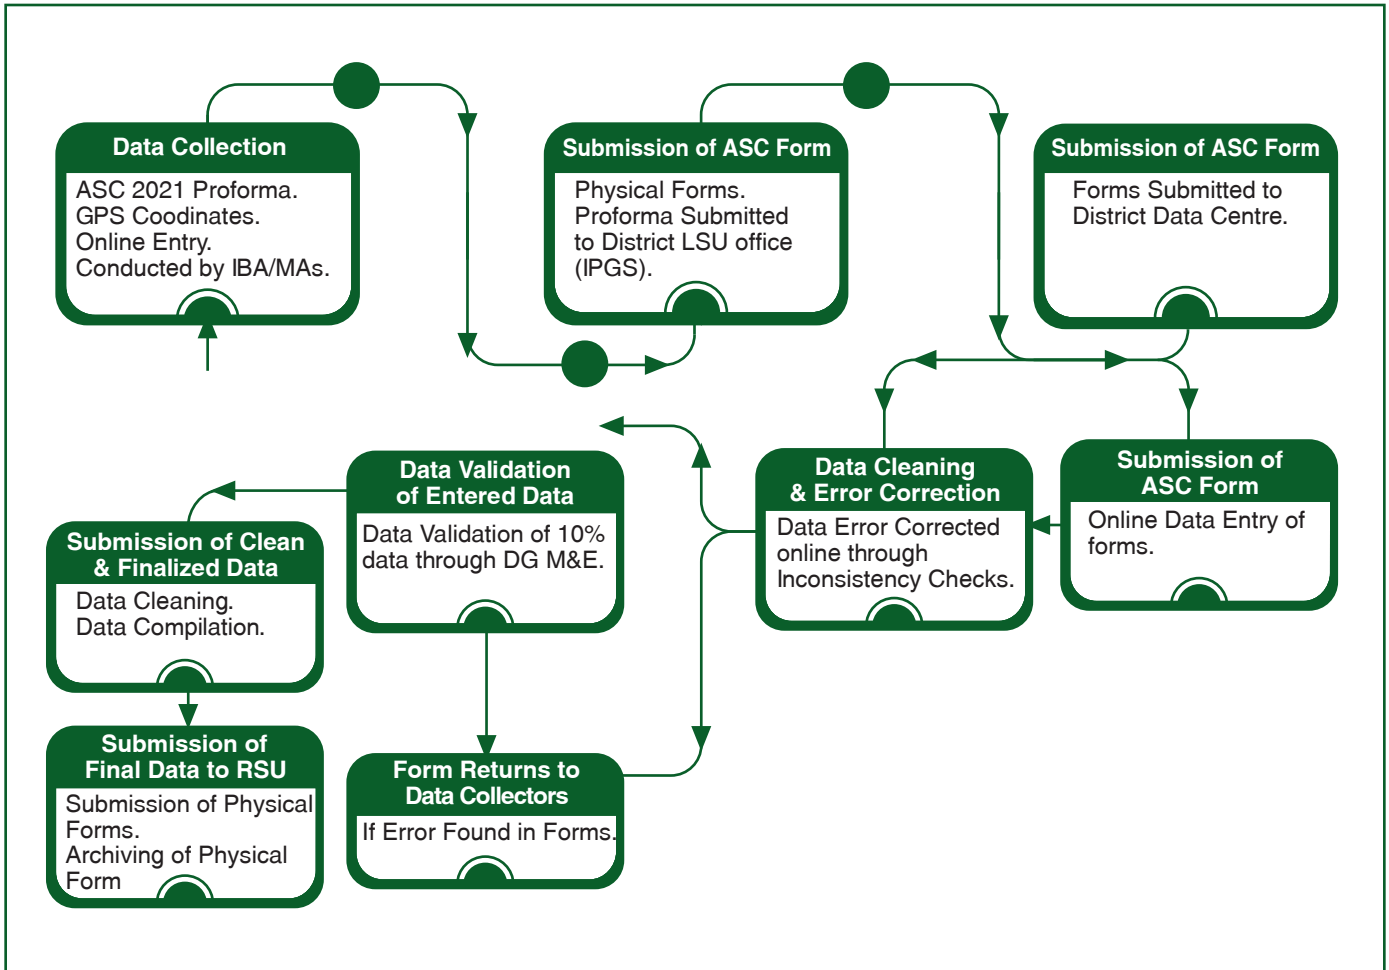

This information is used as a baseline for the Sindh Education sector plan and roadmap SESP&R 2021-2024 which broadly covers School Infrastructure Development (SID), Annual Development Plan (ADP), Teacher Recruitment, Free Text Books, School Management Committees (SMCs), Standardized Achievement Test (SAT), Girls Stipend (GS) and other reform initiatives as well as this data is also used for proper allocation distribution of funds.

It is pertinent to mention that the this huge and exhaustive exercise of Public school profiling has been conducted through the resources of SELD and by incorporating technology to attain the reliable results. Further, a detailed proforma was designed for data collection and an online application was developed to enter the data at “Regional/District Data Centers”. Local Support Unit (LSU) and SESP regional Coordinators (RCs) were given the responsibility of facilitators to support and guide the users/operators in data collection.

The data for 49,446 schools were collected and digitized by the Head Masters and Mistresses after an extensive training at the district level. In this overall activity the Directorate of Monitoring and Evaluation immensely supported the team by assigning their task force (Monitoring Assistants) especially in district Tharparkar, Sujawal and Thatta. Further, about fifteen thousand teachers were deployed to validate the school data by through the physical verification and collecting the evidences through a mobile application developed by the technical team of SELD.

During the current ASC 2020-21, Tracking ID (Non-SEMIS Code) schools were also surveyed & their Data have also been included in the current ASC. It is to be noted that the Tracking ID is a temporary arrangement for identification of non-SEMIS Code schools. The Tracking ID will be shifted to SEMIS system, when the competent forum approves the allotment of SEMIS Code after fulfillment of required codal formalities. It is important to mention here that due to inclusion of the data of Tracking ID schools (3,805) and the data of previously parked schools (3,470) in the current ASC 2020-21, some significant variations in some data field(s)/report(s) may be found, as compared to the trend of previous ASC reports.

Process Flow of ASC 2021

Utilization of Census Data

Monitoring & Evaluation

The Directorate of Monitoring and valuation has been set up in the School Education and Literacy Department to monitor and evaluate the teachers' attendance and other school indicators. Through monitoring students' enrollment, infrastructure availability and teachers' presence is being tracked. Under this initiative District Monitoring Units are being established.

School Management Committee

SMCs are formed in every main and functional school for development of school education through community ownership. Under the committee, the funds are utilized for the repair and maintenance transport and cleanliness (sweeper) of school.

School Consolidation / Clustering

To rationalize government school facilities and resources school consolidation policy is being implemented. Under the policy, consolidated schools are operated as Campus school (single school), It covers three types of schools; adjoining schools, embedded / same premise schools and school that are within a stipulated distance of each other.

Standardized Achievement Test

Administrator of the SAT on a regular basis, accompanied by third party review to strengthen the reliability and validity of the test results of class V and VIII in science, mathematics and language.

Girl's Stipend

The School Education and literacy Department, Government of Sindh, initiated distribution of stipends since 2001-2002 under the Sindh Structural Adjustment Credit (SAAC). The Reform Support Unit took this responsibility from 2005. Initially, the stipend was distributed through money orders. Over the passage of years, new interventions were introduced and now through branchless banking bio-metric system girls' stipend is being disbursed in a transparent manner.

Human Resource Management Information System

The new initiative of advanced and integrated HRMIS has been taken by the School Education and Literacy Department, Government of Sindh which will allow the department to keep the track and update information of human resources at the provincial level.

Sindh School Monitoring System (SSMS)

School Education & Literacy Department bring continuous improvements in SSMS by increasing the reach of school monitors and enhancing the application to ensure reliability in the real time data.

Free Textbook

Every year free text books are distributed among public schools. Earlier, Books were distributed to primary classes only but since 2006 books are being distributed from katchi till class X.

The background of the page is a photograph of a school hallway. On the left, there are large, textured stone pillars. A bright green rectangular frame is superimposed over the middle of the image, containing the word 'SCHOOLS'. The hallway itself is brightly lit, with a series of dark wooden support posts and a light-colored floor that recedes into the distance.

A group of young children, likely in a school setting, are shown in a line. They are wearing light-colored, short-sleeved shirts with dark collars and dark skirts or trousers. The children are looking towards the camera with various expressions, some smiling. The background shows a wooden structure, possibly part of a school building. A large, bright green number '3' is overlaid on the right side of the image. The word 'ENROLLMENT' is written in a bold, dark blue font across the middle of the image, enclosed in a bright green rectangular border.
